Re: Notice of File Closure for Small Mining Activities, Ridge Rock Mine. S/047/033, Uintah County, Utah

Dear Mr. Taylor:

This letter is to notify you that file #S/047/033, for the Ridge Rock small mining project, located in Section 35, T6S, R21E, Uintah County, Utah, will be closed and the file retired.

The Division performed a site inspection on April 11, 1996 and recommended release of the site. Because this project was situated on federally managed lands, the Division had to receive concurrence from the BLM prior to release of the project. On October 8, 1996, we received notification from the BLM that they inspected the project area and found the surface reclamation satisfactory. The BLM subsequently closed out their file for this project. Because this project is located on BLM managed lands, we will accept the BLM's recommendation and also close our file accordingly.

If you have any questions or concerns regarding this action, please provide us with written notification within 15 days of the date of this letter. If you plan to conduct any new mining activities at this location, you will need to submit the appropriate notice of intention before commencing any activity. We apologize for the lengthy delay in closing out this file.

Sincerely,

A handwritten signature in black ink, reading 'Anthony A. Gallegos'.
